2016 GRAND MARSHAL: BETTY CAMPBELL

Story & photo by Lorie Palmer, IDAHO COUNTY FREE PRESS

Longtime 4-H leader to serve as marshal

GRAVE'S CREEK ROAD — Betty Campbell's lifestyle on the prairie has definitely been a family affair. She will serve as the 2016 Idaho County Fair grand marshal — an honor her parents — Verl and Alice Chicane, had in 1988.

Campbell was born and raised on her parents' farm just outside of Cottonwood. She lives on the same property she grew up on, working the same land and utilizing the same outbuildings for her animals.

She graduated from Prairie High School, married and moved to Montana where she had two children, a son and a daughter, Rick and Bobbi. When she divorced she moved back home to Cottonwood.

"The kids and I participated in O-Mok-Sees — it was definitely a family activity," she said. When she met Gary Campbell, their lives fell in place as he became a father to her children and enjoyed the same things the family did with ranching and horses. He ended up being a right-hand-man to her father for 35 years, running cattle and completing additional farm and ranch work.

Campbell said she grew up a tomboy, always playing outside and with the animals. "I knew I could do whatever the boys could do and when my cousin told me on the school bus one day that he was doing something called 4-H — well, I didn't know what it was, but I knew I wanted to try it," she laughed.

At the young age of the about 8 or 9, she took her first 4-H project — a steer — which became the earliest of many as she joined the Keuterville club.

"I had a wonderful leader and mentor in Joe Enneking," she said. "He gave great pointers and always offered words of encouragement. He definitely inspired me."

Campbell started working in 1974 as the main co-leader with Marie Lerandeau with the Cottonwood Saddlers and Livestock 4-H Club. Campbell still helps with the club, however, Tara Rowland has since taken over as the organizational leader.

"We have about 52 kids in the club and they each have two to three projects," she said. "I really try to be the kind of encouraging leader I had when I was a member of 4-H." Campbell said she not only was able to have her own children in 4-H, but has also lead her grandchildren, nieces and nephews. Her family is a Century 4-H family.

"After more than 40 years, I have seen a few generations make their way through the program," she smiled.

Her husband, Gary, died in 2014, and although she said she misses him greatly, she has not let his absence keep her from living.

Her two children live close-by and she has four grandchildren and one great-grandchild, who all help her as well as keep her busy attending events, activities and programs. She also has 100 laying hens and has no problem selling the nearly 500 eggs each week. Along with this she has a large garden and orchard and has also been employed at Wells Fargo as a teller for nearly 43 years.

"I like to keep busy and moving," she smiled. She still has cattle, enjoys O-Mok-Sees and said she always looks forward to the fair.

"I like to see what each child comes up with and how they perform and progress," she said. "I have seen incredible changes in kids from the beginning of their 4-H career throughout it and I think it's a wonderful program that helps teach responsibility and self-worth."

Campbell said the people in her life have made living in a small community worthwhile: From her parents and family and her kids and grandkids to the 4-H kids and her work family, she said she has a good life filled with good people.

"I wouldn't want to live anywhere else," she smiled.

GRANGEVILLE – “Royalty has helped me learn a lot about myself and what I’m capable of. It also means being able to be a positive role model to all the little girls who look up to me just like I used to look up to past fair royalty,” said Katrina Frei, Idaho County Fair Queen. “This includes having the pleasure to become pen pals with one of the little girls who attended the princess tea party.”

Frei will be a senior at Grangeville High School this fall. She is the daughter of Steve and Kristie Frei and the granddaughter of Jerry and Jan Frei, all of Grangeville. Her grandparents Richard and Dorothy Nuxoll live in Greencreek and she has five siblings: Cody, 19, Zach, 19, Kyle, 14, Caleb, 12, and Abbie, 10.

“I would love to thank Karla Enneking for advising us this year and my parents for being there with me through it all,” Frei said. “I also owe a huge thank you to Mark and Debbie Kelley and Pat and Elayne Murphy for helping make this year possible. Also to Rachel and Davi – thanks for making this year memorable and fun.”

Frei plays varsity volleyball and tennis at GHS and is the student body president for the coming year. She is also a member of FCCLA and Youth legislature and belongs to the Fenn Livestock 4-H Club. She is a member of the Sts. Peter and Paul Church Youth Group and in the summers takes care of her younger siblings and drives combine for her grandpa during harvest.

WOODLAND – This year's Idaho County Fair Spotlight article is on a person whose family name is practically synonymous with the fair. Frank McIntire spent the first six years of his education at Woodland School then went on to Kamiah where he graduated from Kamiah High School in 1967. He then attended the University of Idaho where he studied animal science.

McIntire grew up with two sisters and they all participated in 4-H.

Directly out of college, McIntire became a 4-H leader. In fact, his 4-H skills have landed him more than leadership qualities and experience with children: He met his wife, Pam, when she was in his 4-H group. They were later married and will celebrate 37 years together in August.

The McIntire Family has its roots in Woodland and so did Pam's family: Her grandfather had property there. Their children – Daniel and Lacey – grew up there and now their grandchildren enjoy the farm and ranch life. Four generations – which includes Frank's mother, Anna – can often be seen four-wheeling, haying, running cattle, gardening and simply playing on the land they love.

Last year, that land was threatened as the wildfires were just a few hundred feet behind the McIntire's home on Carrot Ridge.

FRANK MCINTIRE

"If it weren't for the farmers digging a fire line, I don't know what would have happened," Frank shook his head.

A box of photographs still sits on the floor, ready to go. "You try to think of the very most precious, irreplaceable items," Pam said. This includes a cattle journal kept by the McIntires for nearly 100 years,

handwritten with dates, names and notes.

Frank said 4-H gave him and his sisters a chance to not only learn responsibility, but also to learn and travel to various judging contests.

Daniel and wife Leslie (Behler) and their three children live in Cottonwood and Lacey and Mat Faeth and their daughter live in Ferdinand. The McIntire's children and grandchildren are all involved in or have been involved in 4-H and Ambassadors, and their family was awarded the Century 4-H Family Award in 2012.

Frank has been part of the Idaho County Fair Sale Committee for "more years than I can remember," he said. Behind the scenes, the sales committee members – about seven in all – set floor prices and call potential buyers, thanking them for past patronage and asking if they will be buying in the coming year. If they are unable to attend the fair or would like the committee to purchase in their stead, that is noted.

Frank also served on the fair board for six years and had the honor, he said, of seeing many projects completed and buildings updated while he was on the board. In his community he has also served on the school board and is currently on the Carrot Ridge Volunteer Fire Department. He and Pam attend the Woodland Friends Church and he is also on the cemetery board. In addition, he is on the Idaho County Light and Power board and is past president of the Idaho County Cattle Association.

"I believe in the 4-H program and I also believe in helping and volunteering where you can," Frank said. "That's something we have always done and we have tried to pass those characteristics on to our children."

"We are proud to be a part of the Idaho County Fair," he stated.

IDAHO COUNTY 4-H

AMBASSADOR PROGRAM

Back Row L-R: Mitch Nuxoll, Kortney Sims, Dylan Canaday, Savannah Thanstrom and Bailie Gehring and (front, L-R) Harmony Edmondson and Lauren Alfrey.

In 1997 the Idaho County 4-H Ambassador Program was initiated to retain older youth in the 4-H program and now in its 15th year the Ambassador program activities continue to grow.

Each year 10 4-H members who have been in 4-H for at least 4 years and are a sophomore, junior, or senior in high school are selected to be in the program.

The Ambassador year begins in November of each year with the State Ambassador Training in McCall, Idaho. This three-day training emphasizes public speaking and leadership skills. Monthly meetings also begin in November where they work on developing a public presentation.

The Ambassadors also help plan and carry out all of our County 4-H activities through the year. This is a very visible group with the very important job of representing our 4-H program.

The Ambassador program is not a 4-H Club. Each of the Ambassadors must maintain membership in his/her 4-H Club where they attend meetings.
